

# July is Disability Pride Month We Belong Here, and We're Here to Stay.

July commemorates the passing of the landmark American with Disabilities Act. It is a chance to raise awareness about the challenges the disabled still face every day. People with disabilities represent all ages, races, ethnicities, genders, sexual orientations, religions, and socio-economic backgrounds.

For more information about how we can serve you or your loved one at our local health clinics, which are equipped to meet the needs of the disabled, please give us a call at **(213) 536-5815**.

Providing God's spiritual  
healing through healthcare.
