

Recognizing Pride Month and Access to Healthcare for All...

We provide quality healthcare in a supportive environment with a multidisciplinary approach. LGBTQ+ individuals receive preventive care, education, access to PREP/PEP, HIV/STD testing, and a treatment plan.

Our physicians, infectious disease specialists and trained healthcare professionals can meet your unique needs.

**For more information on our comprehensive services,
please call (855) 783-2434.**

Providing God's spiritual
healing through healthcare.
