

National Youth HIV/AIDS Awareness Day - April 10

Transgender HIV Testing Day (NTHTD) - April 18

Youth HIV/AIDS Awareness day and NTHTD are observed annually. It recognizes the importance of routine HIV testing, status awareness, and continued focus on HIV prevention and treatment efforts for people who are transgender or gender nonbinary.

These awareness days were established by the Centers for Disease Control and Prevention (CDC) and the University of California, San Francisco Transgender Center of Excellence. For more information on our HIV Program and the services we offer, please call **(844) 426-2643**.

Providing God's spiritual
healing through healthcare.
