

July is Disability Pride Month “The World Works Better With Us”...

July commemorates the passing of the landmark American with Disabilities Act. During this month we raise awareness about the challenges the disabled still face every day. People with disabilities represent all ages, races, ethnicities, genders, sexual orientations, religions, and socio-economic backgrounds.

For more information about how we can serve you or your loved one at our local health clinics, which are equipped to meet the needs of the disabled, please give us a call at **(213) 536-5815**.

Providing God's spiritual
