

■■ Bathroom Remodel Preparation Checklist

Preparing for a bathroom renovation doesn't have to be stressful. At **Bathroom Fitters Derby**, we've put together this simple checklist to help your project run smoothly from start to finish.

1. Clear the Space

- Remove all toiletries, towels, and decorative items.
- Take down shelves, mirrors, or wall-mounted fittings that may obstruct the work.
- Empty storage units and under-sink cabinets.

2. Prepare Your Home

- Ensure there's a clear walkway from the entrance to the bathroom.
- Protect hallway and room flooring that our team may need to access.
- Inform household members about temporary bathroom changes during the project.

3. Choose Fixtures and Materials

- Confirm your chosen bath, shower, toilet, taps, and fittings.
- Select tiles, colours, and layouts in advance.
- Let us know about any extras you'd like such as underfloor heating, upgraded lighting, or smart technology.

4. Understand the Process

- Our experienced team manages plumbing, electrics, tiling, and installation.
- We'll provide daily updates on progress and timelines.
- Some noise and dust are normal, but we'll minimise disruption wherever possible.

5. Final Checks

- Confirm agreed access times and key handover if required.
- Keep your phone handy so we can reach you during the work.
- Ask us any last questions — we're here to help every step of the way.

■■ Following this checklist will make your bathroom renovation as smooth and stress-free as possible. Contact **Bathroom Fitters Derby** today to start planning your dream bathroom.
