2025 Annual SHORE Foundation Fundraising Dinner

Sponsorship Levels and Benefits

Annual Fundraising Dinner

The annual dinner is given for those that benefit from the foundation and in loving memory of our 19 year-old daughter, Sarah Lynn Budd, who was suddenly taken from us in an automobile accident June 24, 2007. Sarah's life ended, but she offered life and hope to others by donating her organs. Our loss was devastating, but it is out of our despair that we want to celebrate Sarah's life.

As a result, The SHORE Foundation was formed. The Foundation seeks to continue Sarah's passion and love for people. Over this last year we have helped multiple recipients' with expenses that are not covered by traditional insurance, Medicare or Medical Assistance. We are currently:

- * Providing monetary aid in housing, food, gas, child care expenses, anti-rejection medications, to name a few, that add undue stress on a patient's recovery.
- * Working with other organizations to fund these expenses after a need is assessed.
- * Raising educational donor awareness.

The SHORE Foundation Board cordially invites you and your friends, family, co-workers, neighbors or group to share in our compassion for organ recipients and those families that have experienced the loss of a child but have given others a second chance. Actively participating in this event and future events will benefit many PA Organ Recipients and their families.
