

HILTON LAMINATING

# Coilmac Manual

CoilMac Manual renders efficiency and productivity. Its high quality components and full range of functions make it the most complete and durable equipment in its class and one of the easiest to operate. CoilMac Manual is undoubtedly the ideal partner for your important coil binding jobs

## FEATURES :

**5 Disengageable Pins:** The disengageable positions provides a clean punch with most standard paper sizes.

**STANDARD 4:1 Pitch:** Standard pitch for coil binding. Punches 43 holes in a 280mm sheet.

**Extended Single Punching Length:** With open ends & continuous punch guide to easily punch documents of any length up to 660mm.

**High Volume Punch Capacity:** Suggested up to 20-sheet of 80 GSM paper in 330mm length (53 holes).

**Super Strength Punch Mechanism with exclusive "Precision Guiding System" Blade Set:** Cast-hardened & heat-treated steel dies provide superior strength & hardness.

**Exclusive EZ Inserting Table™ with Detachable Design:** Expedites the inserting of coil into the document; Detachable design allows the Punch & Inserting Table to be placed side-by-side.

**Exclusive "precision guiding system"** guarantees a sharp & clean perforation everytime.

**Side Margin Control:** Provides an evenly centered punch for all document sizes.

**Punching Margin Control:** Provides the correct punch-margin-depth for each coil size and maximizes the document's tear resistance.

**Open Throat and Continuous Punch Guide:** For an easy alignment and punching of longer documents up to 330mm.

**Rugged ALL Metal Construction:** Makes it the most reliable & durable coil binding system in its class.

**Large Waste Drawer and Non-Skid Feet**  
**ISO9001 & 14001 Quality.**

**OPTIONAL:** Premium Oval Coil Crimpers
