NRG FAMILY!

**GET READY
FOR
A GREAT
CLUB SEASON!!**

NEXT STEPS

- Now that you have received your verbal offer and have accepted that offer you will now wait for signing day.
- Signing day is July 7 for all age groups this year
- After receiving your verbal offer you will need to make sure the email you gave us is in the OCS system. If you played club ball last season you will “Verify Email”. If you are new to club ball you will “Add My Player”.
 - a) Visit <https://ntr.vstarvolleyball.com/ocs/index.php> for the OCS system
 - b) Very important that the contact email you gave us is the email you have in the OCS system
- The morning of Signing day you will receive an email from the OCS system with your written offer. The email will come from “No Reply offers@ntr.vstarvolleyball.com”. Open the email completely and follow these steps:
 - a) Scroll all the way to the bottom of the opened email page and hit the accept button
- You will then click the link in Step 2 of the email to complete your club contract. Please complete the online document after accepting the team offer.
- After you accept your OCS offer and sign your contract you will then need to complete your club deposit and setup your financial payments for the season. We are using a system called Snap-Spend for club payments. You will receive a registration email for your team from Snap-Spend.
 - a) Complete the team registration process (deposits will be made at that time)
 - b) If you require a custom payment program, we can assist with that as well.
 - c) There are 2 options for payment plans:
 - d) ACH – Automatic Bank Draft – 1.5% processing fee
 - e) Credit Card – 3.4% processing fee charged for each payment

Parents may also pay in full with cash or check at the facility and receive a 5% discount on club dues

NRG UNIFORM FITTING

Complete by Tuesday July 7

Each player will be fitted at the time of verbal offer. If players cannot be fitted on the verbal offer date they will need to make arrangements to come in ASAP to get fitted

Parents with athletes ages 14 and below will need to keep in mind that by time uniforms are received and tournaments start some athletes may grow. When selecting uniform sizes do not just choose on how they fit at the time of the fitting.

All parents and players please choose sizes appropriately. Once the uniforms are delivered, if they do not fit properly, you will need to re-order and pay for any replacements unless there is a size error by the uniform provider.
