Spring into Summer!

The sun is higher in the sky, it's that time of year we love.,
Trees are greener, birds are nesting, swallows fly above.
We plant our boxes, mow the grass,taking it nice & steady.
Summer clothes are out again & barbecue at the ready!
Winter hasn't been too bad, but still we love to see,
Holidays are coming nearer, suntan ,sand & sea!
So say goodbye to Winter & a big HELLO to Spring & make the most of all the things good, that Summertime will bring!
