What is a Financial Services Guide (FSG)?

This Financial Services Guide ('FSG') helps you understand and decide if you wish to use the financial services we are able to offer you.

It provides you with information about the entities that may provide you with financial services:

- the Licensee's Corporate Authorised Representative Family Wealth Advisory Pty Limited ("Family Wealth Advisory");
- individual Authorised Representatives of the Licensee.

We collectively refer to Authorised Representative(s) in this FSG as "us, our, we". We are the providing entity and are the authorised representative(s) of the Licensee.

This FSG sets out the services we provide. It tells you:

- who we are and how we can be contacted;
- who the licensee is and how it can be contacted;
- what services and products we are authorised to provide to you;
- how we (and any other relevant parties) are paid; and
- how we deal with complaints.

Not Independent

The Family Wealth Group Pty Ltd is an equity holder in a joint venture (' Family Wealth Advisory Risk Solutions Pty Ltd ') where we may receive a profit distribution from the sale of risk insurance products. Although we are required to act in your best interests, receiving payments from product issuers means that we are not independent, impartial or unbiased as defined in Section 923A of the Corporations Act.

We may provide you with personal advice that takes into account your needs, financial situation and circumstances. Where we provide you with personal advice, we will provide you with a Statement of Advice ('SOA'). The SOA outlines our advice and the basis on which the advice was given. It also outlines relevant information about us, our fees and charges associated with our advice. We are only able to provide personal advice about certain products as stipulated under the Licensee's Australian Financial Services Licence ('AFSL').

If we provide further personal advice after providing our initial advice, we may record this in a Record of Advice, instead of an SOA. You may request a record of the further advice that is provided to you, if you haven't already been provided with it. You can also contact us, using the details at the start of this FSG, within 7 years from when the advice is provided to request this record.

Occasionally we provide general advice. This is where we may express an opinion or recommendation influencing you in making a decision in relation to a financial product, but where we have not considered your personal objectives, financial situation or needs. If we provide you with general advice, we will provide you with a warning that the advice may not be appropriate to your needs, financial situation or objectives. Additionally, we will provide you with an applicable Product Disclosure Statement ('PDS') (if one is available) which you should read before making a decision that the product is right for you.

When a financial product is recommended to you, you will be provided with a PDS issued by the product provider. The PDS contains information about the product to assist you in making an informed decision about the financial product. It will outline relevant terms, significant risks, and fees and charges associated with the product.

The Licensee has arrangements in place to maintain professional indemnity insurance. This insurance satisfies the requirements under s912B of the Act.

Please retain this FSG for your reference and any future dealings with us. We may also add documents at a later date which will also form part of this FSG, and these should be read together with the FSG. These documents will include the word 'FSG' in the heading.

Who will be providing the financial services to you?
