Please read and follow these Pool Party guidelines and Pool rules document – adopted October 4, 2007 and updated in 2021:

* The total number of members and guests will be limited in order to prevent overcrowding and unsafe conditions. County guidelines limit our pool to 109 swimmers at one time, and 262 individuals at one time; if no one swims.

* Members requesting use of the pool for a party must make reservations in advance and must pay a fee for the use of designated facilities. The fee is intended to off-set the cost of amenities and supplies, as well as reserves the use of two tables, grill and covered pavilion for the party. **However, this fee does not close the pool to paying members who wish to swim while the party is being held.**

* Pool party fees are as follows:

- 1 to 15 people including **family members** (swimmers and non-swimmers)
Fridays/Saturdays/Sundays/holidays - \$25 cash or checks payable to HWHOA

- 1 to 20 people including **family members** (swimmers and non-swimmers) Monday to Thursday (not including holidays) - \$25 – cash or checks payable to HWHOA

* All posted Huntington West Pool Rules apply for all members and their guests – including parties. For safety and liability reasons, **the pool gate may not be propped open** for any reason at any time! Please be advised that security cameras at the pool gate are monitored 24 hours a day.

* Any violations of these pool party guidelines or posted pool rules can result in loss of pool privileges.
