

Unchalked Allstars Rec Cheer

2026-2027 Handbook

WELCOME

Welcome to the Unchalked Cheer family! Our rec program is designed to introduce athletes to the exciting world of cheerleading while teaching the fundamentals in a fun, positive, and encouraging environment.

Our goal is for every athlete to build confidence, learn the basics of motions, jumps, stunts, tumbling, dance, and teamwork, all while making new friends and creating lasting memories. We believe cheerleading is about much more than performing—it's about learning perseverance, sportsmanship, respect, and the value of working together as a team.

Above all, we want every athlete to have fun, stay positive, and develop a love for the sport of cheerleading. We can't wait to watch each cheerleader grow throughout the season and are excited to be a part of their journey. Welcome to Unchalked Cheer!

All payments go through iclasspro, and you must have an active credit card on file at all times. Please note that there are no refunds for injuries. There will be no refunds for anyone who is asked to leave the program or who quits the team.

Competition Schedule

Our Rec Cheer Team will perform at one competition in February. The focus of our rec program is to provide athletes with a fun, positive, and encouraging introduction to competitive cheerleading. Our goal is for each athlete to step onto the competition floor with confidence, have fun with their teammates, and proudly perform the routine they have worked so hard to learn. We believe the experience of performing, building friendships, and celebrating their accomplishments together is far more important than the final placement, making it a memorable and rewarding season for everyone.

Team schedules for the competition will be released approximately 1 week before the competition date. Please reserve the weekend below to allow flexibility for scheduling. Please plan for 4-5 hours on competition day at the host venue.

Competition Dates:

Company	Date	Name	Location
