THE BARRACKS

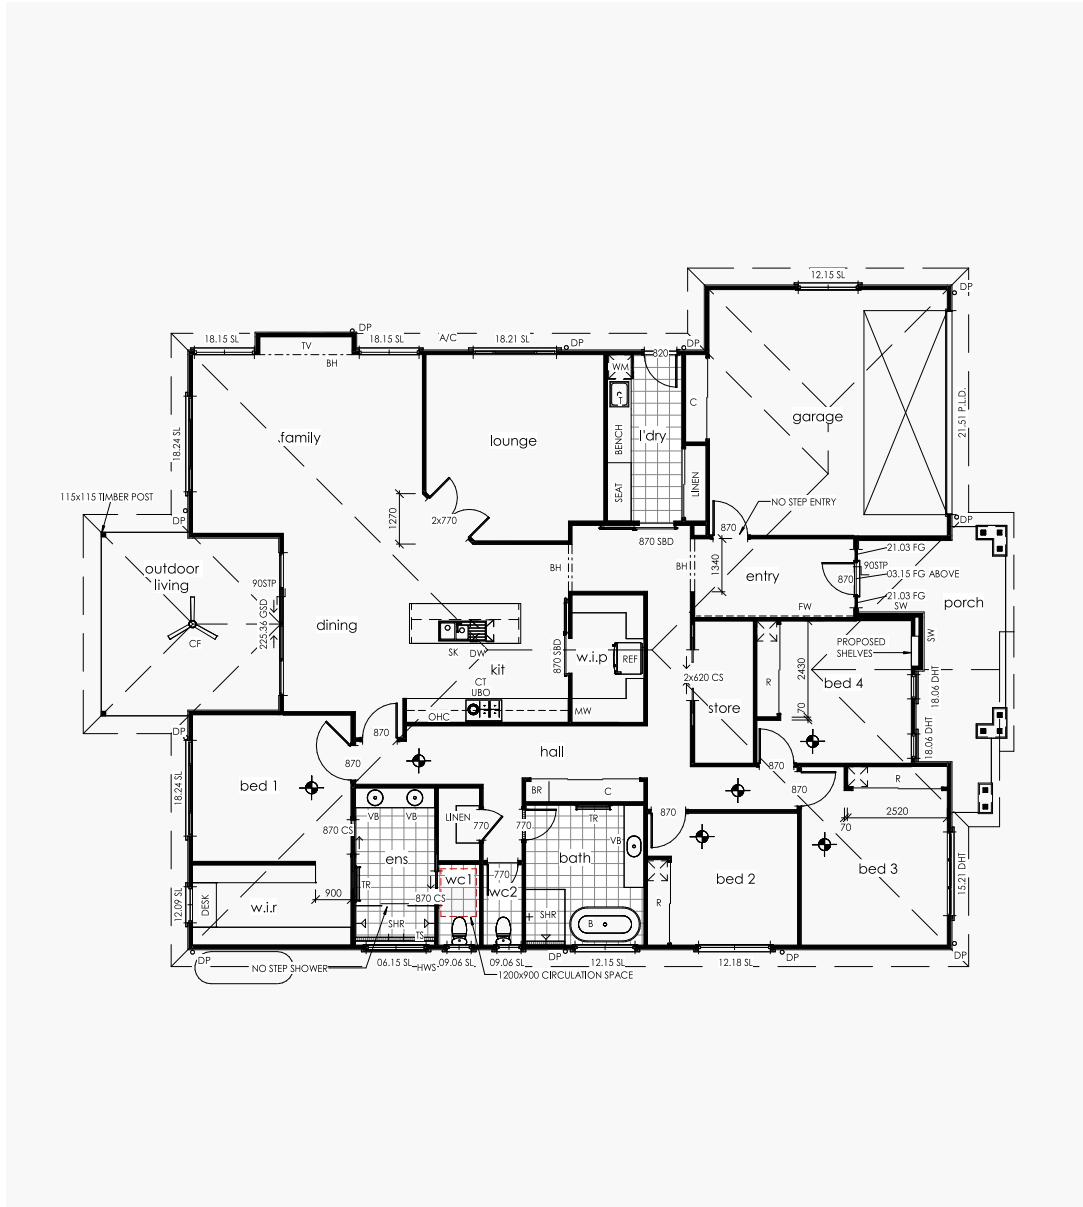

THE **BARRACKS**

The Barracks is a slab home design that offers a refined modern Queenslander aesthetic, combining a welcoming gable entry and front porch with classic lineboard detailing.

The Barracks delivers contemporary family living with generous shared spaces. From the welcoming front porch, the home opens into a practical entry that leads through to the heart of the design. A centrally located kitchen with a walk-in pantry anchors the open-plan dining and family areas, seamlessly connecting to the outdoor living space to create an ideal hub for everyday living and entertaining.

The master bedroom is privately positioned and features a walk-in robe and well-appointed ensuite. Bedrooms 2, 3 and 4 are grouped together in their own wing. With its balanced layout, practical inclusions and strong indoor-outdoor connection, this home is designed to support modern lifestyles while providing spaces for both connection and retreat.
