

- LED Lighting
- Outdoor LED Fixtures
- LED Holiday Lighting
- Custom Lighting
- Lighting Controls

See back for details regarding specific rebate requirements.

With ERMU's energy-efficient lighting rebates we make it easier to save energy and money on LED products and lighting controls. The various rebates available provide customers a cost-effective solution to reduce their electricity bills and environmental impact by upgrading to energy-efficient lighting.

## How to Receive a Rebate

(Valid for customers of Elk River Municipal Utilities only. Rebates come in the form of a bill credit.)

- 1 Complete the front and back of this rebate form.
- 2 Include a copy of the original itemized sales receipt and/or invoice for each qualifying product
- 3 Submit via email at customerservice@ermumn.com

**OR** Mail to  
Elk River Municipal Utilities  
ATTN Rebate Program  
P.O. Box 430, Elk River, MN 55330

### CERTIFICATIONS AND SIGNATURE

I hereby certify that

- The information contained in this application is accurate and complete.
- All installation is complete, and the unit(s) is operational prior to submitting application.
- All rules of this rebate program have been followed.

I agree to verification of equipment installation which may include a site inspection by a program or utility representative. I understand that I am not allowed to receive more than one rebate from this program on any piece of equipment. I agree to indemnify, defend, hold harmless and release ERMU from any claims, damages, liabilities, costs and expenses (including reasonable attorney's fees) arising from or relating to the removal, disposal, installation or operation of any equipment or related materials in connection with the programs described in this application, including any incidental, special or consequential damages.

ERMU reserves the right to reject any rebate application submitted as a result of work performed by a contractor who has failed to adhere to the terms and conditions established for the rebate program.
