of the Lord
our God be
upon us, and
establish the
work of our
Hands.”**

Psalms 90:17

PROJECT SUMMARY

Building for the Future:

Exploring Family Life Center

Our parish is growing rapidly, and our facilities are no longer keeping pace with the needs of our faith community.

Current Challenges

- One of the fastest-growing parishes in Wake County
- Approximately **500 children** are expected in Faith Formation
- Religious education classes are held **four days each week** due to limited classroom space
- Grade levels combined because of space constraints
- Insufficient room for Catechist Parent **Sessions and Ministries**

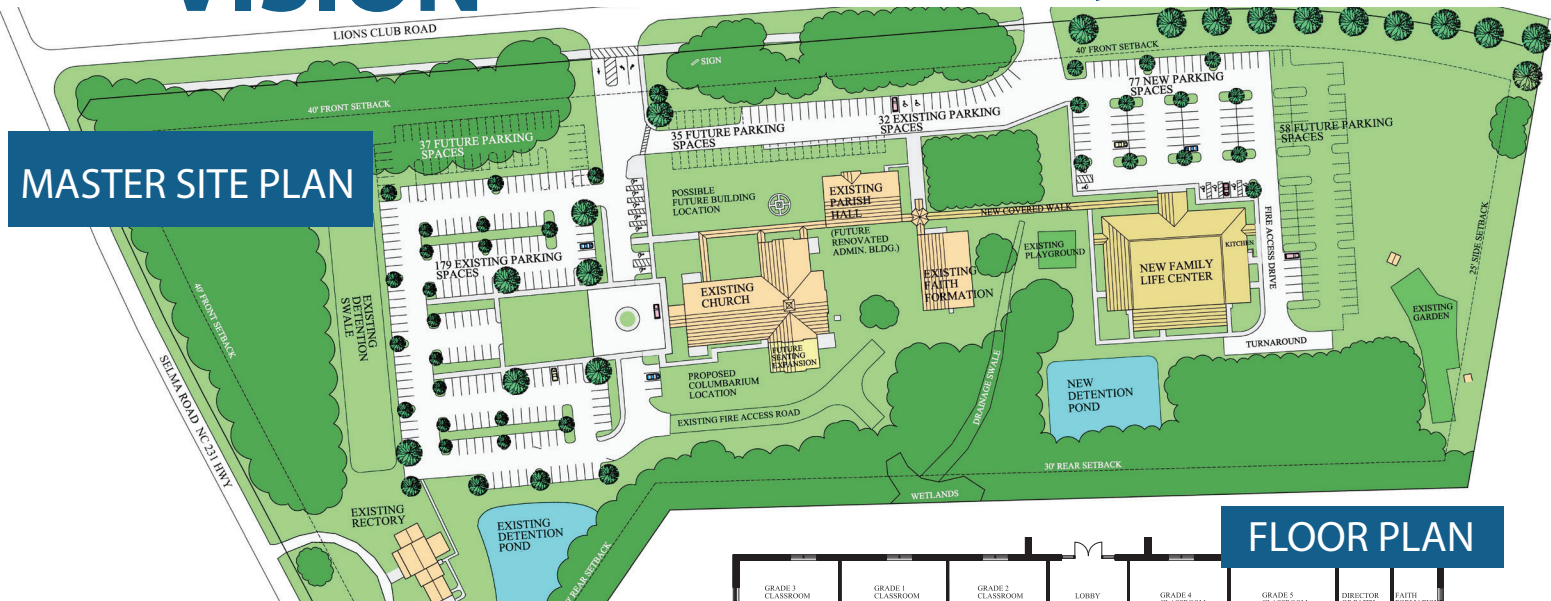

These limitations are felt deeply in the moments that matter most in parish life. After baptisms, Quinceañeras, and weddings, families naturally want to gather with their parish community to pray, to support one another, and to celebrate or grieve together. These are sacred moments; except for funerals, we are unable to provide these services to our families due to a lack of appropriate gathering and kitchen space.

Our ministries are also being directly impacted. Faith formation programs, youth ministry, adult education, outreach efforts, and small groups are all experiencing growth. People are eager to participate and to serve, **but we do not have enough classrooms, meeting space and storage space to support them.**
