and future site of the Saint Eugene Memorial Garden

The **Saint Eugene Memorial Garden** will be located on the south lawn beside the sanctuary and will be:

- A sacred space where we honor the memories of our loved ones who have gone before us in faith.
- A place intentionally set apart from the noise and busyness of daily life.
- A peaceful setting that invites reflection, remembrance, and stillness amid the beauty of the surrounding woods.
- A place to sit, pray, grieve, give thanks, and experience quiet moments of sacred peace.
- A source of comfort and hope, fostering a deep sense of connection with God, one another, and those we hold in our hearts.
- Conveniently located near the church parking lot, making it accessible to all visitors.

This Memorial Garden will serve as a lasting place of remembrance, prayer, healing, and spiritual renewal for generations to come.

"Blessed are they who mourn, for they will be comforted."
Matthew 5:4
