

"There is nothing more important to a business's success than hiring great people, nothing."

WITH NINA MAPSON BONE

Recruitment & Selection Essentials

Providing you with the tools to build a 'best practice' recruitment & selection strategy for your business from start to finish.

This workshop provides new ideas, tips and practical advice to make an impact on your recruitment strategy and hiring success.

KEY TOPICS COVERED:

- Preparation - understand the challenges of recruiting in today's market
- Candidate sourcing - finding the perfect match.
- Interview structure, techniques and effective questioning
- Tools for determining quality and best hire
- Induction and attachment - keeping your new employee engaged.
