

A big **thank you** for my birthday cards. The lovely cards all had beautiful words and pictures of flowers on.

Thank you to everyone who remembered me. My birthday lasted a long time as the cards started arriving 7 days before. That was nice as it made my birthday seem longer!

Lots of love from

**Carol J xxxx**

### **Harvest Festival**

We are holding our annual Harvest Festival service **Sunday 20<sup>th</sup> September 10:30 am**. It is traditional to bring items of food to the service to thank God for our food and all who take part in producing and delivering it for us.

We will be donating this food to the **Peterborough Foodbank** so we'd appreciate it if everyone could bring a tin or packaged item with a long shelf life the Foodbank can give out to people in need. **Please don't bring fresh fruit or vegetables, bread, or anything which will perish quickly** as it is no good to the Foodbank.

The Foodbank regularly list the items they most need website:

Thank you

#### **Apologises**

There will not be a meeting this month as planned.

There will be further information in the October Newsletter.

### **Double Thank you**

I would like to thank Southside friends for their cards, gifts and good wishes for my birthday.

Can I also say how much we appreciate the prayers and kind thoughts for Hannah and myself around the time of her recent major surgery. She is making a really good recovery.

**Sue**

You might have seen from the plan that we have an Own Arrangement on **4th October**.

It is 'Homelessness Sunday' and Paddy Berryman from the Light Project will be coming to lead our worship, update us on their recent achievements and future plans.

## SAVE THE DATE

Plans are well under way for a major fundraising event for Southside, a Christmas Fair on 28th November. We shall need lots of help and support to make the event a success, so 'watch this space'.
