NO ONE GREATER: Exploring God's Faithfulness

Our ability to trust another person is based on how much we know them. Of course, to know them, we need to have a relationship with them. The Holy Spirit empowers us to know God and enjoy a relationship with Him through faith. This relationship is strengthened by the many promises made within His Word – promises that we can trust Him to keep. As we continue in our series, "No One Greater", we explore the fact that, among many other things, our God is faithful!

See you in worship this weekend!

Weekend Safety Team

Are you interested in becoming trained to serve on our new weekend worship safety team? If so, please email Kari Mayo at kmayo@royred.org. After you connect with her, she will send you a link to select which training date works best for you – either July 17 (AM), July 18 (AM), or July 19 (after worship services) Training is expected to last approximately three (3) hours. You will learn how to handle these potential realities –

- Medical emergencies
- Severe weather alerts

Thank you for giving this prayer consideration.
