Boarding requirements:

Pets must be current on all their age-appropriate vaccinations to board with us. Dogs must be current on their Distemper, Adenovirus, Parvovirus, Parainfluenza, Leptospirosis, Bordetella, & Rabies and we require the Parainfluenza/Bordetella vaccine be boosted every 6 months. Cats must be current on their Feline Rhinotracheitis, calicivirus, Panleukopenia, Chlamydia, Leukemia, & Rabies vaccines.

This is for is for their protection as well as the other pets and our staff.

Boarding:

We offer year-round climate-controlled boarding with a large fenced in back yard. We feed Hill's Science Diet Sensitive Skin and Stomach, or you are welcome to bring your own food. We walk dogs 2-4 times a day depending on weather and staffing. We offer an optional boarding bath at a discount the day they go home. We provide, bowls, beds, and blankets as well as Hill's Science Diet Sensitive Skin and Stomach for dogs or cats or Hill's Science diet or Hill's Science Diet Small bites for our littles. You are however encouraged to bring their own food if they are on prescription diet food or if they are sensitive to dietary changes.
