Approval of Minutes: A motion was made by Lee Kaiser to accept the May 11, 2021 minutes as read.

Outgoing / Incoming PPC Members: Bill Greinke thanked Amy and Becky for their participation and dedication to the PPC over the past 3 years. He then welcomed our new members, Myra Fox and Bob Mitchell to the Council. It was discussed to update the poster boards with the new PPC bios and pictures. This will be displayed in the Narthex as before. Pat will be putting the names of the new members in the bulletin as soon as possible. We went around the table introducing ourselves to Myra and Bob and they introduced themselves to us.

Pastor Report: Father reminded us that The Archdiocese of Milwaukee will be starting the capital campaign shortly with the St. Rita Parish goal set at $609k. This will be done over a three-year term as follows:

Wave #1:	Preparation: November 2021 through December 2021
	Active Fundraising: January 2022 through June 2022
Wave #2:	Preparation: May 2022 through June 2022
	Active Fundraising: July 2022 through December 2022
Wave #3:	Preparation: November 2022 through December 2022
	Active Fundraising: January 2023 through June 2023

The money raised will be split 60/40 with St. Rita receiving 60% and the Archdiocese receiving 40%. We do not receive any money until the end of the three years. In order to receive the allotment, we must have projects on where we could use the money, such as: new doors on the church with electronic locks. There will be many discussions on what projects need to be done.

The repair work for the drains in the church parking lot will be started once the selection of the company is completed by Building and Grounds. Two bids have been received one from the Merit Asphalt Co. and the other is from Ron's Concrete.

Liaison Updates: The Stewardship commission is looking at different avenues to get new parishioners interested in participating in our commission and various on-going events. The idea of having cards with all the commissions listed and with who to contact is a possibility.
