Pastor's Report:

- **Capital Campaign Update:** Fr. Michael said as of January 2023 we have exceeded our set goal. We have pledged $818k from 153 families to date. St. Rita will receive back 80% back on anything over 100% to 125% of money pledged and anything over 125% we will receive 100% back. A lengthy discussion followed on where the LOA monies should be allocated to.

- **Building and Grounds:** Father reported that B&G has under discussion the remodeling of the church narthex to add new office space for the parish offices, or if we should add-on to the church building as originally planned when the new church was built. It was also discussed that 3 bids are required to move forward with the project.
