The PMCC program is an accelerated class geared toward preparation for the AAPC National Exam.

The test lasts four hours and consists of 100 questions.

Each week students will be given chapters to work on at home. A minimum of 10 hours will be required to complete the week's assignments. This "homework" will be reviewed and any concerns can be addressed during the next class.

**Week 6 — Midterm Exam  
(50 questions)**

**Week 10 — Final Exam  
(100 questions)**
