Aerial Beginner 2*			5:10-6:00pm			

* Enrollment by invite only

Pacific Coast Gymnastics FAQs

What type of classes do you offer?

We are proud classes for students ages 18 mo - 17 years for both girls and boys! Once you create a parent account through our New & Existing Customer Portal in iClassPro and add your child as a student, you should be able to view all classes available to them based on their age.

My child is new to gymnastics. Which class would they be in?

For children 5 and under, their class is determined by age and they will join an age-appropriate class in our ages 18 mo - 5y PreK program. At age 6, girls will start with Level 1 Women's Gymnastics classes and boys will start with Boys 6+ Men's Gymnastics classes. All students start at Level 1 and upon completion of their Level 1 Skill Chart will move to the next level.

What should my child wear to class? Do they have to be in leotards?

Boys or Girls may wear tucked in T-shirts and shorts OR Leotards for Girls. Hair should be pulled neatly and securely away from the face so that it stays up for the entire workout. Girls should not wear bows or other large hair ornaments, hooded sweatshirts, dangling jewelry (earrings or necklaces), or any other item that may cause discomfort during activity. There are to be no shoes on the gym floor nor socks worn on the trampoline or beams of any height due to safety concerns. We suggest leggings or joggers with a long-sleeved shirt in the winter and athletic shorts and fitted tank tops in the summer.

How do I know when my child is ready to move to the next level?

For all preschool-style classes (18mo - 5y), your coach will let you know as soon as they believe they are ready for the next step! For all leveled classes, we require the successful completion of their skill chart for their current level. Skill charts are accessible through your iClassPro account and have the requirements for passing each gymnastics event at their current level. Once they have mastered all skills across all events at their level, their coach will discuss with you looking at transitioning to the next level.
