

Summer Reading Students Entering Fifth Grade

Students going into fifth grade will be required to read:

Wonder by RJ Palacio

*It is recommended that the students read the book closer to the beginning of school and have a copy of the novel *Wonder* handy during the first two weeks of school, as they will be asked to complete a follow up project based on their reading.

And - the more reading you can do this summer the better! Read on and enjoy ANY type of reading - books, magazines, websites, etc!
