

We would like to invite you to an event about HS2

High Speed Two (HS2) is the new high speed railway for Britain. This event is an opportunity for you to find out more about the updated design for the Amersham vent shaft headhouse.

At this event you will be able to:

- talk to our experts about the headhouse design, engineering, construction at the site and the environment,
- view the revised design for the headhouse and landscaping; and
- ask questions about the project.

Come and talk to us on Thursday 7 July 2022
between 3pm and 8pm.
The Royal British Legion Hall, Whielden Street,
Old Amersham, HP7 0JB

We look forward to meeting you.
