## Welcome back!

Welcome back! It has been so good to see so many faces on campus!

Classes are in full swing and our students have been busy learning while reading, doing activities, and making crafts. We'll try to share as many photos with you as we can. So, check the website often.

### There is no class the week of October 12.

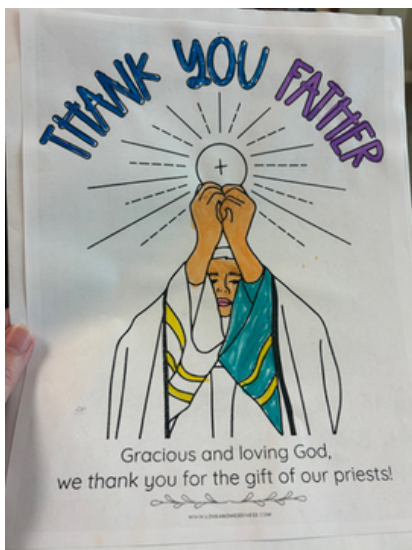

There will be an additional evening mass on **November 2** (All Souls Day) in the cemetery. Families are invited to attend. Service Hours are available for our Confirmation Students who participate (see Service Hours sign-up to register).

Confirmation Students should turn in Service Hours as they are completed. Forms and additional info can be found at:

## Ways to Pray with your Kids

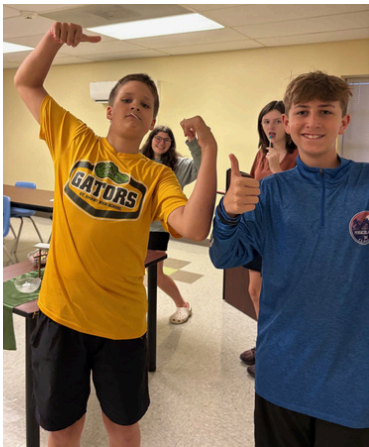

Pray using an ABC Prayer Circle.

Give each person a letter of the alphabet. As you go around the group, each person lists an intention that starts with the letter they were given.

## Middle and High School Student Focus

For our middle and high school students, study has been focused on the work of the Holy Spirit. Throughout this series, your child will learn about the Holy Spirit and how he is at work in their lives.

Your child learned that the Holy Spirit is the third Person of the Trinity who is present throughout Scripture. Just as the Holy Spirit inspired the authors of the Bible, he is also at work in your child's life, as he helps write their story too, ultimately leading them to God. Your child learned that the Holy Spirit began dwelling in them at their baptism, and how a life lived in accord with God produces the fruits of the Holy Spirit. They were given a list of these fruits and their definitions.

- The Holy Spirit is alive in us through our baptism and animates our relationship with God through prayer.
- The Holy Spirit enables us to relate to God as our Father, just as Jesus did.
- When we experience the fruits of the Holy Spirit, we can trust that God is present in our lives

*Thank you for reading!*

### FAMILY REFLECTION QUESTIONS

- Name one thing you learned about the Holy Spirit.
- What else do you hope to explore in the topic?
- Where will you look up the daily Gospel reading and on which day?
- Which of the fruits of the Holy Spirit are difficult to observe? Why?
- Which of the fruits of the Holy Spirit can we work on this week in our family? How do we want to do that?
