DEAR PARENTS AND FAMILY

Welcome to a new year of Religious Education classes! Our first few weeks have been filled with activities. We started with the "All About Me" theme, where students and catechists built relationships by sharing about themselves.

FAMILY REFLECTION QUESTIONS

Ask your student:

- What did you enjoy most this week?
- What can you tell me about your teacher / classmates?

CHALLENGE

Every time you see a cross or crucifix this week, make the Sign of the Cross as a reminder of your relationship with God and your neighbor.

MISCELLANEOUS
