### Prayer Leaders

Thank you to our students who helped to lead our Elementary classes in prayer this week.

### What's happening

We wrapped up our regularly scheduled classes for the year. Students were able to take home their books for the year. If you want to collect your child's materials that may have been left, please email me at [jclouatre@olohr.com](mailto:jclouatre@olohr.com).

It has been a joy to work with our young people this year. We hope that they enjoyed learning more about their faith while spending time with others. Thank you for allowing us to share this journey with you and your families.

### Ways to Pray with your Kids

Join us for services during Holy Week. See the schedule posted on page 3.

## Middle School Student Focus

This week we discussed the call to be of service to others. We shared some of the ways the students currently help and serve in their community. We asked them to consider how they can be of service to others in the future.

## High School Student Focus

High school students were invited to participate in an hour of prayer and reflection with other parishioners during our Prayer Around the Cross service.
