Communications Worker

With the expanded nature of our New Parish and the challenges in relation to keeping the congregations and wider folks of the Parish informed, it was agreed at a recent Kirk Session meeting to employ an individual part time as a Communications Worker. Some of their responsibilities will include reviewing and developing our communications strategy with an aim to ensure we are meeting the needs of our communities and folks. Organising and maintaining the Parish calendar, producing the Parish Notices, respond to correspondence, develop our online presence as well as other organisational activities. We are delighted Angela Nixon has taken on this role.
