CREMATION OPTIONS

Honoring their wishes. Respecting your needs.

Please accept my condolences for the difficult time that you and your family are enduring. Our position at Chicagoland Cremation Options is to help a family through the arrangement and aftercare process in a dignified, affordable, and ethical manner.

IL Death Certificate Worksheet - The information that you provide on this form will be used to electronically file for a death certificate and obtain required medical signatures.

- Please use full legal names for the decedent, next of kin and the informant.
- If there is any information that you do not have or have not confirmed yet, please mark it as TBD or unknown. You can provide us additional information after the form has been submitted. We will be able to amend the death certificate up until the time that we receive our state file number authorizing the cremation. Any amendments to the death certificate after the file is closed with the state are subject to a \$15 correction processing fee plus the cost of any replacement death certificates. Average processing times for corrections made after the file is closed with the state is 2-3 months.

Please let us know if you have any questions or concerns. We are available to you 24/7 and can be reached directly via phone, email or text.

Respectfully,

The Team at Chicagoland Cremation Options

NEXT OF KIN HIERARCHY - The next of kin is determined in the following order:
