

How to Give Your Pup a 5-star Vacation While You Travel (Even if it's just for the weekend!)

Welcome, pet parent! Whether you're heading out for a business trip, a weekend getaway, or a well-earned vacation, your pup deserves the same love and luxury while you're away. This guide is your go-to resource to help your dog feel safe, happy, and at home during their stay with us or anywhere you choose.

Let's make drop-off a breeze!

✓ Packing Checklist for Boarding Like a Pro

- ☐ 🧸 Favorite toy or blanket for comfort
- ☐ 🍲 Enough food for the entire stay (plus a little extra)
- ☐ 💊 Medications with instructions (if any)
- ☐ 📋 Updated vet records & emergency contact information
- ☐ 🐕 Feeding & potty routines (we love to stick to your pup's normal rhythm!)
- ☐ 📸 A family photo or worn T-shirt with your scent as it truly helps calm nerves for 1st time boarders!

Not all pet care is created equal!

✓ Questions Every Pet Parent Should Ask Before Boarding

- ☐ How many pets are cared for at once?
- ☐ Is there 24/7 supervision?
- ☐ What's the emergency protocol?
- ☐ Are pets separated by size and temperament?
- ☐ Will I receive updates or photos?

Even the most confident pups can feel nervous in a new environment.

✓ How to Prep Your Pup Emotionally

- ☐ Schedule a short meet-and-greet before the full stay
- ☐ Keep goodbyes calm and upbeat (no long hugs!)
- ☐ Practice brief separations in the days leading up to drop-off
- ☐ Bring familiar scents and make staff aware of daily routines
- ☐ Stay positive, your pet picks up on your energy!

BONUS: Did you know? Dogs thrive when their routine is respected. That's why we mirror their home habits as closely as possible.
