

Newsletter Rainbows4Children – August 2026

Our newsletter is one of celebration!

We are delighted to share the outstanding results of our students this year: –

100% pass rate for the university entrance exams

and

100% for the grade 8 regional exams ensuring our students are all promoted to study in the secondary school (grades 9-12).

This is all thanks to the dedication hard work of all our staff at the Nicolas Robinson School, which would not be possible without your support.

In addition:

Our school has also been evaluated as the top-quality school in the Tigray region, once again.

Our student sponsorship programme remains the most important way in which you can contribute to the success of the students and the school. Following and supporting a student through their school career makes all the difference to their motivation and their future success.

Please enjoy our video report where you can learn more about our progress
