General Price List

Thank you for your interest in Reverence Funeral Parlor, LLC. This general price list is compliant with the Federal Trade Commission's required format for funeral homes. It is effective January 22, 2024, and is subject to change without notice. Each funeral home is required to display their price information in a likewise manner. Funeral homes also must provide their general price list at the time of funeral arrangements and upon request.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Payment It is important to us that the families we serve are not put in a financial burden due to funeral or cremation expenses. We have built this price list with the goal of providing impartial prices and options for all budgets. Payment is required prior to the services selected. An 18% per annum interest fee will be added to all accounts which remain unpaid 10 days after the date of the signed contract. Our funeral home accepts cash, check, and credit cards. A 4% processing fee will be added for all credit card transactions. EFT is also available for a fee of \$10.00. Verified insurance policies are accepted as a form of payment and will be filed for a fee of 5% of the total contract balance. All payment processing fees are added to the total balance due.

**A military discount of 10% is applied to our basic service fee for all U.S. military veterans. Thank you for your service.*

Thank you for allowing us the honor of the final tribute to your treasured loved one.
