

## MERBL 2024 HIGH SCHOOL SEASON TIMELINE

- We schedule 14 regular season games plus minimum 2 playoff games. Check website for example of league set up ([merbl.org](http://merbl.org))
- All-Star Game dates TBD (Saturday 6/30 or Saturday 7/28 with 7/29 backup)
- Season start date Tuesday or Thursday (5/28 or 5/30 for any teams that are ready), Saturday 6/1 for all
- Regular season end date Wednesday or Thursday 7/17 or 7/18.
- This allows for 6 weeks (minus Memorial Day) to play 14 games. The worst case scenario is to play 12 games minimum.
- Playoffs start Saturday 7/20 with a "round robin" first day format. One team moves on from each "round robin". This will allow every team to play a minimum of 2 playoff games. American League champion will play National League champion in a best 2 out of 3 "World Series"
- Playoffs would end no later than 7/31.
- Teams will play 2-3 games per week during season.

NOTE: I may designate a couple days of "wood bats only". I will have bats for players that need them.
