

MIDDLE SCHOOL FALL BASEBALL

Because of increasing interest, MERBL offers a Fall Baseball Program for Middle School kids. Our main focus is incoming 7th grade kids just moving into the Middle School Programs.

- This will be a 12-game season starting in 3rd or 4th week of August and ending by early October. Two to three games per week (1 to 2 weeknight games and one game on Saturday), with the season lasting about 7 weeks. The oldest teams will not play the youngest teams.
- Open for kids moving into 7th & 8th grade this fall. Incoming Freshmen have a choice: they can stay with their Middle School teams, or they can choose to play in the MERBL High School Fall Ball Program.
- Game sites are Troy, O'Fallon, Collinsville & St. Jacob.
- O'Fallon area kids/teams register through their park & Rec. All other locations register through MERBL. The MERBL registration form can be found on the MERBL.org website.
- Summer team Coaches, feel free to combine to make a team.
- The cost per player is \$160. A team costs \$1900. A team with thirteen, or more kids will lower the individual player costs, accordingly.
- MERBL supplies: Fields, Umpires (2 patched per game, one of which may be in training), Insurance, Game Balls, Scorebook, Bats and other equipment as needed.
- MERBL does not furnish uniforms. They are not required but most teams come up with something.
- I will post scores, but we do not list Standings and we do not have playoffs.
- Fall Baseball is intended to be a relaxed atmosphere with the opportunity to work on things needed to help kids compete in the 2027 Spring season.
