To Whom It May Concern ;

Total Telecom Solutions has been our liaison for approx three years. From simple to difficult issues, Scott and his team have been a very important part of the Hoss's family. We highly recommend Total Telecom for many reasons; responsiveness, fair pricing, honesty, competence and above all, reliability.

Total Telecom has went far beyond the normal scope. They work very diligently, days, nights and weekends making calls , researching various avenues at their disposal, and giving the best quality of service for all parties involved. We believe Total Telecom to be a valuable asset to our organization and possibly yours.

Sincerely yours ;

Craig
