FREE SHIRT/SPIRIT ITEMS AGREEMENT

This agreement is between Championship Sports and _____ of _____ High School to produce selected items for said High School at NO COST. The items will feature the mascot provided for the sport(s) agreed upon, or we will feature any information you choose. The items will also feature the advertisements of local merchants, who make it possible for the school district to receive the free items through their participation. All items will be provided free of charge by Championship Sports.

This agreement gives Championship Sports the authority to use the name of the school, mascot athletic director and/or coach's name in the presentation of the program to the local businesses. The quantity of items that the school receives will depend on the amount of participation from local merchants and athletic supporters.

Championship Sports does not allow any business to sponsor your products that would be inappropriate for high school events. The T-shirts may be produced twice a year. Feel free to contact us toll free at anytime if you have any questions. Upon receipt, the t-shirts will be the responsibility of the High School.

Either party may cancel this agreement at anytime, however, all orders in process will be completed, printed and shipped to the authorizing party. Once cancellation is given in writing, no more solicitation of businesses will take place. Please notify your school's administration of this project as some businesses may want to confirm your participation. Your signature below confirms that you have the authority to enter into this agreement and you further agree to verify with any sponsor that Championship Sports is fully endorsed by your department.
