# NSITE CONNECTOR COMMISSION STRUCTURE

*Simple, Flat Commission Model*

## Overview

Nsite offers a clear and simplified commission structure designed to make earning easy, predictable, and transparent. No complex percentages. No confusing tiers. Just straightforward payouts based on what you sell.

## How You Earn

You have the option to either, refer a client, or fully manage a client project and earn a fixed commission based on the package level purchased. Optional bonuses are available for connectors who take a more active role in managing client projects.

## Flat Commission Structure

Package	Sale Price	Estimated Total Commission
Starter Website	\$1,997	\$250
Growth Website	\$2,997	\$450
Authority Website	\$4,997	\$800
Ecommerce Website	(\$5,997+)	\$1,000+

## Optional PM Bonus

Earn additional bonuses for active project management:

\$100 → PM Assist (light involvement)

\$200+ → Full PM (complete client management)

Bonuses are based on organization, communication, and overall execution quality.

## **Payout Terms**

Commissions and bonuses are paid after:

- Final client payment is received
- Project is completed and approved

No commissions are paid on deposits, partial payments, or canceled projects.

## **Why Nsite Uses This Model**

- Easy to understand and explain
- Predictable earnings
- No complicated calculations
- Rewards both sales and execution
- Designed for long-term, scalable partnerships

## **Simple Summary**

Sell a website → Project gets completed → Get paid

Take ownership of the client → Earn additional bonuses
