Nsite Connector Scripts Guide

Use these simple, natural scripts to start conversations and close deals.

Soft Opener:
Hey! Quick question — are you happy with how your website is performing right now?

Follow-Up:
I've been talking to a lot of business owners lately and most are not getting leads. Has that been your experience?

Transition:
I work with a team that handles everything done-for-you. Want me to share details?

Close:
Want me to send you a quick overview or connect you?

AI Script:
Do you ever miss calls or messages from customers? There's a tool that fixes that instantly.

Email Script:
Are you currently getting leads from your website? We help businesses improve that with done-for-you solutions.
