Dear Families, Grandparents, Friends,

As we wrap up our exciting business adventure with Lemon Lightning, I want to take a moment to sincerely thank you for the support, encouragement and enthusiasm you shared throughout the project. From baked goods to helping your child prepare and stay motivated played a huge role in making this experience such a success.

Over the past several weeks, the students have done far more than simply running a lemonade stand. They stepped into the real world of business and experienced firsthand what it takes to build something from the ground up. They explored banking, loans, budgeting, pricing, marketing, advertising, production, customer service, and decision making. Through board meetings, voting, committees, and daily responsibilities, they learned how businesses operate and how important every role can be.

They practiced teamwork, leadership, communication, responsibility, problem solving and a strong work ethic. They discovered that success takes patience, *cooperation, creativity and determination.*

At the very beginning, the most meaningful decision, to me personally, is when the board voted to donate all profits to 4North Project, which is very close to my heart. My son Matt is co founder. It was their goal to continue to support our sister school, Recodo, located in the mountains of Dominican Republic. After paying off the loan and all additional expenses along with the students' hard work, caring hearts and many generous donations the amount of **$1,100.00** will provide clean water, beans, rice and medical assistance to the children for many, many months. I also felt they learned something that goes far beyond the business world. **Kindness by giving**. It has been beautiful to watch students realize acts of kindness and hard work can benefit so many.

The excitement, dedication, hard work, and smiles I witnessed throughout this journey made me very proud of each student. I can only hope this learning *experience stays with them, I know it will stay with me forever.*

With sincere thanks,

Ms. Shari

Virtue of the Week

- KINDNESS -

MEANING: Expressing genuine concern about the well-being of others; anticipating their need

LOOKS LIKE:

- Carrying bags for someone
- Talking to someone who seems sad
- Giving a glass of water to someone who is thirsty
- Sharing your jacket with someone who is cold
- Helping someone clean up a spill

SOUNDS LIKE:

- Do you need any help?
- You seem upset, is there anything I can do for you?
- I can get you some water.
- I have an extra coat you can borrow.
- I can clean that up for you.

Quote of the Week

"You have competition every day because you set such high standards for yourself that you have to go out every day and live up to that."

-Michael Jordan
