Life Print Memorial Keepsakes[®]

Life Print Keepsakes are created by using a combination of traditional jewelry techniques, modern technology and your pet's paw print. These beautiful memorials are created from two-dimensional ink prints that are then replicated onto, .925 sterling silver, 14k rose gold, 14k yellow gold, or 14k white gold. All of the designs can be custom engraved on the back. The various and unique custom combinations allow for a beautiful, personal, and lasting connection to your furry loved one.

The Tip Resistant Light Base is our newest addition to our light base selection. Using our Patented process, we have designed a wider base that inserts into a recessed sleeve in our modified light base that can be anchored to something sturdy, producing a very secure tip resistant system. Your families will have the peace of mind knowing that if their beautiful Art Glass piece is accidentally bumped or even an earthquake should occur, their Art Glass piece is as safe as it can be. Tip Resistant Light Bases are available in Cherry or Maple. All bases are 2.25" H with 12 LED Bulbs.

Touchstones

Touchstones 96-041

A Touchstone is a small piece of art glass, made to be held close when you need comfort most. Each one carries your pets cremains and a paw print, captured forever in glass, with a gentle dip you can feel beneath your thumb—an impression as if your beloved pet left their touch behind just for you. Smooth, solid, and warm in the hand, it's designed to rest quietly in your pocket, offering a moment of connection, grounding, and remembrance whenever you reach for it. Available in Lavender, Aqua, or Clear.

Art Glass Pendants with Cremains

These pendants keep a beloved pet close to the heart by encasing a small amount of cremains in glass. Pendants include a sterling silver bail and satin cord. Available in one of five color schemes.

Base Color Selections For:

Oval, Heart, Side Heart and Teardrop Pendant

Pearl Ruby Blue Sapphire Emerald Cobalt

All fronts of pendants will reflect different colors due to the multifaceted iridescent color schemes. Base color will be visible from the side and back, but the front will vary. Some will reflect purples, while some will show other colors such as blue. No two pieces look the same, making each one as unique as the life they represent.
