

Rules and Regulations

1. When a pleasure craft enters the Marina complex, it immediately comes under the general jurisdiction of the Marina Management.
2. Any sale, purchase or change of pleasure craft occupying mooring space or trailer parks must be advised immediately to management.
3. No exchange of berths or trailer parks will be permitted between pleasure craft owners without the prior approval of management.
4. No Trailer Boat or Motor Home shall be permitted to extend beyond the designated dimensions of the park it occupies.
5. Marina Berth Licenses are transferable in accordance with clause 9.1 of the Licence. Such transfers must be registered with the Marina Office on the prescribed form. A transfer fee is payable.
6. Only authorised pleasure craft, well maintained in good condition, under their own power shall be admitted to berthing areas. All vessels must maintain a clean hull policy.
7. Any condition aboard any pleasure craft or any other personal equipment on the piers or walkways or carparking areas which in the opinion of the management, constitutes a hazard, or a health menace, or a danger to public safety, must be corrected immediately by the owner.
8. In the event of an emergency, management is authorised to enter a pleasure craft, move pleasure craft, or make necessary repairs to ensure safety of all persons, Marina piers and/ or the berth holder's craft, or any other craft.
9. All spills must be reported immediately. Any cleanup costs, including fines incurred by the Marina arising from any negligence of pleasure craft owners will be charged to the boat owner concerned.
10. Advertising or soliciting is not permitted on any pleasure craft within the Marina complex. "FOR SALE" signs are not permitted on any pleasure craft, pile or piers or any other signs posted or erected without the express written authorisation of Marina management.
11. The pleasure craft, or the Marina address, may not be used for business purposes without the specific approval of Marina management.
12. Noise must be kept to a minimum at all times.
13. Children and pets must be kept under constant adult supervision to ensure the peace and privacy of other Marina occupants. Dogs must be kept on leads at all times and not permitted to foul the Marina grounds, piers and walkways in accordance with Auckland City Bylaws.
14. Living aboard pleasure craft within the Marina bounds is absolutely prohibited by order of the Auckland City Council.

15. Marina Management must be advised of any changes of address, contact phone numbers, Berth, and Vessel details in order to contact an owner or representative in the event of an emergency.
16. The operation of dinghies, jet-skis, windsurfers, kayaks, standup paddleboards or PWC within the Marina water space is prohibited.
17. No swimming, fishing, or diving is permitted within the Marina basin. Hull cleaning is prohibited in the marina basin.
18. Refueling is only permitted at the Fuel Jetty where spill response equipment is available.
19. The vessel occupying the berth shall be used for recreational boating purposes only as defined in the Berth Licence. Charter Boat operations are prohibited from Half Moon Bay Marina.
20. Recycling is encouraged; Garbage, Waste & Oil must be deposited in the receptacles provided for the purpose.
21. Bilges must not be discharged overboard within the Marina. Sewerage from pleasure craft must not be pumped overboard into the Marina. Contact the Dockmasters for assistance using the Pump Out Station located on the Fuel Jetty.
22. A small tender to the nominated vessel is permitted to be stored within the space available of the assigned berth. They must not be stored on any walkways or pier fingers. Only dinghy racks of an approved design by management are permitted.
23. No Wake Zone. The wake of all pleasure craft operated within the Marina must not cause nuisance or damage to boats, berths & their occupants. Boat speed is limited to the minimum safe maneuvering speed.
24. Mooring Lines are the Berthholders responsibility to maintain as defined in the Berth Licence. Should, in the management's opinion, any pleasure craft not be moored correctly, or the mooring lines are not in good repair, such steps as deemed necessary to ensure the safety of the craft shall be taken, & charge any cost involved to the boat owner. Replacement mooring lines shall be fixed by a looped splice through the mooring ring. No Shackles, Chain or Thimbles attached to the Marina shall be permitted except were approved in writing from Management.
25. It is the Berth holder's responsibility to ensure that the pleasure craft is always secure in the berth in a seamanlike manner, & that all deck fittings are of sufficient strength & suitable design to ensure this requirement.
26. The Shore power supply on the Marina must be used in accordance with the Electrical Regulations. The vessel must have a current EWOFF before connecting to shore power. Berth holders requiring shore power must contact the Marina Dockmasters or Office for assistance.
27. Berth Holders wishing to sublet their berths may do so but are required to advise the Marina Office of all relevant boat and contact details for emergency and security purposes.
28. Except where the berth is sub-leased through the Marina Office it is the Berthholders responsibility to ensure craft on their berth is adequately insured as required under the terms of the berth licence.
29. Any persons causing damage or injury to Marina property, piers or other pleasure craft shall be liable.
30. In the event of an accident whilst maneuvering in the Marina which involved damage to another pleasure craft or personal injury, no matter how small, the incident must be reported to Marina Management or Security immediately.
