

California State Ballot Measures

for the November 3, 2026 Election

NO	Prop 1	The Veterans and Affordable Housing Bond Act of 2026 (Limon). State to borrow \$11.25 billion for affordable housing - only \$1.25 billion for Vets.
NO	Prop 2	Save for California's Future Act, 2026. Increase from 10% to 20% the amount of general fund tax revenue put into the rainy day fund each year.
NO	Prop 3	Extends existing tax rate on high incomes permanently. CA tax rates are among the highest in the nation. CA has a spending problem - not an income problem.
NO	Prop 4	Political Reform Act: California Fair Election Act 2026. Allows local government to use taxpayer funds to finance local candidates.
NO	Prop 5	Election: Recall of state officers. Makes it more difficult to recall state officers. If the Governor is recalled, the Lt. Governor will replace him. Other offices will remain vacant until the next scheduled election.
NO	Prop 37	Creates loan program for middle-income buyers of qualified new homes. \$25 billion in bonds to be repaid by homeowners' mortgage payments, not the State. Will cause increased inflation and keep prices high.
NO	Prop 38	Authorizes \$8.4 billion in bonds for immunology research. Costs the state \$500 million annually for 25 years to repay the bonds.
YES	Prop 39	Establishes voter identification and citizenship requirement. Proof of citizenship and photo ID are critical steps in securing CA elections.
NO	Prop 40	Billionaire Tax. (Not Just for Billionaires.) The state can expand the Wealth Tax to everyone without another vote. It will tax 401(k)s, savings accounts, home equity and more.
YES	Prop 41	Requires audits of programs funded by any new special taxes. Taxpayer-funded programs need accountability to the taxpayers.
YES	Prop 42	Prohibits new state personal property taxes and certain retroactive state taxes. Prevents new taxes on personal property. Will offset wealth tax. If both pass, the one with more votes prevails.
YES	Prop 43	Local taxes: limitation. Taxpayer Protection. Saves Prop 13, property owners' protection. Restores the 2/3 vote required for any new taxes.
NO	Prop 44	Requires federally qualified Community Health Clinics to spend 90% of federal revenue on program services. Imposes costly mandates on community health clinics. Possible closure of health clinics.
YES	Prop 45	Reduces Housing Costs by Cutting Red Tape. Will make housing projects more affordable, lowering costs while keeping core environmental protections. Opponents include Sierra Club, CA Environmental Justice Alliance and over 270 organizations.
