

Bed-o'Cobs[®] COMBO THE BEDDING OF CHOICE

ALL-NATURAL CORNCOB BEDDING

IDEAL FOR SMALL ANIMALS

The blend of both particle sizes enhances enrichment while filling in the spaces and offering more surface area for fast absorption and ammonia control.

NATURAL ABSORPTION & ODOR CONTROL

Bed-o'Cobs effectively encapsulates urea salt crystals present in animal urine, helping to regulate ammonia concentrations. Its porous structure further absorbs ammonia and captures associated odors, supporting a cleaner and more controlled laboratory environment.

PERFECT FOR ISOLATOR & IVC CAGES

Porous cob material channels fluids downward, then wicks and absorbs from the base up.

ENVIRONMENTALLY FRIENDLY

This product is renewable, biodegradable, incinerable, compostable and is a product of annual crop production.

OTHER SPECIFICATIONS

- No variables added since 1962
- Consistently the highest quality corncob bedding
- Quarterly independent analysis testing

PRODUCT SPECS AND PACKAGING

Material	100% corncob
Packaging	1.25 cu ft/35L bags

A COMPLETE LINE OF BEDDING, NESTING AND ENRICHMENT
