

Pure-o'Cel® VARIABLE FREE PAPER BEDDING

PREMIUM PAPER BEDDING

ADVANCED TECHNOLOGY

Created using improved technology and an advanced manufacturing process, Pure-o'Cel allows for higher absorbency with less bedding.

DUST-FREE PERFORMANCE

Virtually dust-free helps avoid clogging equipment. Softer squares allow for less in-cage dust from animal movements and friction which is ideal for nude and/or hairless animals.

MORE ABSORPTION PER SQUARE

Larger square size provides 75% more surface area than competitive squares, allowing for higher absorbency.

CONSISTENT & RELIABLE

Filled by volume, each bag provides a consistent number of cage fills each time, simplifying inventory management.
