

INDEPENDENT PROFESSIONALS KNOWN FOR OUR KNOW HOW

October 5, 2021

Dear Supporter,

The Omaha area NAPA Certified Auto Care Centers will be hosting its 9<sup>th</sup> Annual “Golf for Vets” Tournament on August 5, 2022 at Tregaron Golf Course in Bellevue, NE. Our previous tournaments have benefitted the Eastern Nebraska Veterans Home and the Disabled Veterans of America, Chapter 47, for which we have proudly raised \$49,000.00.

This year we are again donating all proceeds to the Eastern Nebraska Veterans Home and to the William V. Brooks DAV Chapter 47 in Bellevue. Both of these organizations provide much needed care and assistance to our military veterans in need and we are extremely proud to be associated with both of them.

Please find the enclosed flyer that describes the details of sponsorship and participation opportunities for this year’s event. Whether you are a golfer or not, we will accept any type of donation or sponsorship you are able to provide. We are looking for hole sponsors, cart sponsors, dinner and lunch sponsors, door/raffle prizes, silent auction items and goodie bag items. Anything that you could provide will make the event that much more successful and the donation to the Veterans that much higher.

If you wish to participate, please feel free to e-mail Mark Lowe at [mark@yeckstireandauto.com](mailto:mark@yeckstireandauto.com) or call 402-293-1200 and ask for Mark.

We appreciate your consideration to support us and these worthy causes and look forward to hearing from you soon.

Sincerely,

Mark Lowe  
President  
NAPA Omaha Auto Care Centers Business Development Group
