## Nationwide Protection Plus PARTS & LABOR WARRANTY

### - No Registration Required -

This limited warranty is extended only to you, the original purchaser, and not to anyone who may purchase your vehicle from you during the term of the warranty. The original repair must be paid for in full by you, the original purchaser, not a 3rd party (i.e. Extended Vehicle Warranty or Insurance). This limited warranty is made by the independent repair facility who is so named on the original repair invoice and performed the service/repairs on your vehicle. This warranty is administered by the Nationwide Protection Plus warranty division and may be honored by other facilities participating in this program, or other authorized non-participating facilities anywhere in the United States or Canada.
