01 Professional Services

02 20+ Years Experience

03 Industry Leading Experts

04 Managed Service Provider

05 Turn-key Solutions

06 Technical Consultancy

BETTER TOGETHER.

OUR PARTNERS

We have partnered with some of the leading manufacturers and suppliers of hardware and software in the industry. This enables us to have preferential pricing on products compared to our competitors.

OUR SERVICES

We offer a comprehensive range of services and understand each client has different needs, which is why all of our solutions are tailored to you.

Consultancy

Our technical consultants are on-hand to offer expert advice and provide you with the best solutions which meet your business demands.

Project Management

Our project management team will work closely with you to ensure that your project is delivered on time and within budget.

Hardware & Software

We have partnered with some of the industry's leading brands to provide you with the latest hardware and software solutions.

Connectivity Solutions

From simple ADSL and fibre connections to point-2-point, satellite and 4G networks, we can ensure your business is always connected.

Infrastructure

From routers and switches to structured cabling and facilities we can help design, plan and implement your business infrastructure.

**DO MORE.
BE MORE.**

OUR SERVICES

**WE MAKE
IT HAPPEN.**

Maintenance & Support

Maintaining and supporting systems is vital to ensure BAU services continue. We have dedicated 1st, 2nd and 3rd line support teams 24/7/365.

Warehouse & Storage

With a 5000 sq. ft. warehouse not only are we able to hold large quantities of stock but also offer storage solutions, for example office/location moves.

Builds, Upgrades & Refurbs

Need a PC, server or other hardware built to your specification? No problem. Need an upgrade or equipment refurb.? Covered.

Imaging Services

If you are planning to roll-out and deploy multiple PCs, our team can image each machine pre-loaded with software and applications you require.

Delivery & Installation

Once you have placed your order and everything is ready to go our specialist team of technical engineers can deliver and install your products.

OUR CLIENTS

Specialists in the TV and media industry we have also worked with clients from a variety of backgrounds including motorsport, education and public sector.

**WE MAKE
SURE.**

CASE STUDIES & TESTIMONIALS

Below are a few case studies and testimonials from just a few of our clients in various business sectors we have worked with over the years.

01

Endemol Shine | Film & TV

The Stratton Networks team have worked with us for many years, facilitating large and small off-site production offices. Providing a high level of attention to detail they are able to offer a consistent and reliable service. Stratton Networks supply us with various hardware and also data cabling services.

02

Warner Brothers | Film & TV

We've worked with Stratton Networks for a number of years. Managing production offices that require specialist attention and providing an exemplary level of customer service. They always go that little bit further to make sure things run smoothly, allowing us to rely 100% on them.

03

Excelr8ate Motorsport | BTCC

We contacted Stratton Networks because we needed a stable and reliable data connection for race track days. Their technical consultant recommended a satellite Internet service they deploy to remote locations. We couldn't be happier with this exceptional and consistent service.

**MAKING IT
POSSIBLE.**
