Request For Assistance (RFA) Information

If you would like to request financial assistance to attend National Police Week, The California State Memorial, or to a Hands-On Program (weekends), please read the following and submit proper receipts for reimbursement:

1. The RFA form must be turned into a Central California C.O.P.S. Board member upon return from the National C.O.P.S., Hands-On Programs (weekends), State or local memorials, attending as a representative at an approved event, within 30 days.
2. Once you have attended the weekend, the board will verify through National C.O.P.S. your participation. When attending the National Memorial conference, you will need to check in with a Cencal C.O.P.S. representative while entering the session.
3. The reimbursement for airfare while attending the National Conference applies to first time attendance of the conference, board members attending the conference or volunteer National for the NPW.

No partial reimbursement will be given. You must attend the Survivor Conference on May 14 and/or 16 to receive reimbursement. We highly recommend attending the morning session on May 14th. Receipts must be submitted with this form. Please highlight only the costs on the receipt that pertains to the reimbursement.

As of 04/01/2025, flights are reimbursed up to \$550 per person for all HOP and NPW. The maximum reimbursement will be determined upon the number of people requesting assistance, but we will try our best.

The Request for Assistance form is on the following page.
